Subject: Final Approval of Permit Transfer; Bradley Jones; Drumbeat #1,2,3,4; S/023/0089; Juab County, Utah

Dear Mr. Jones:

On April 19, 2011, the Division Director approved the replacement surety and reclamation contract transferring the Drumbeat #1, 2, 3, 4 Notice of Intention to Commence Small Mining Operations (NOI) from Wah Wah Slate and Flagstone to Bradley Jones. You are now solely responsible to conduct mining and reclamation operations as outlined in the approved NOI. Wah Wah Slate and Flagstone is hereby released from any further reclamation liability under this permit.

Enclosed with this letter is a copy of the NOI stamped approved.

You may, at any time submit a notice to amend/revise any portion of the approved NOI. Please use form (MR-REV MR-REV (SMO/EXP)) located on the Division's website www.ogm.utah.gov/minerals. You may not implement these changes until you receive Division approval of the amended/revise NOI.

I understand that you have moved and the mailing address is your old address and that mail will be forwarded to a temporary address. Once you have a permanent address you will need to update the NOI using the above mentioned forms.

Thank you for patience in completing this permit transfer. Please refer to file S/023/0089 in any correspondence regarding this operation. If you have questions regarding this letter, please contact me at 801-538-5261 or Wayne Western at 801-538-5263.

Sincerely,

Paul Baker
Minerals Program Manager
